

Application for certification of teachers and preschool teachers with foreign diplomas

Read this before you start your application:

The application fee for the certification of teachers or preschool teachers is SEK 1,500. When we have received your application we will inform you about how to pay the application fee.

Your application must always contain the following documentation:

- Copies of your diploma and academic record /transcript. The documentation must show
 - that you have graduated as a teacher/preschool teacher/ leisure-time pedagogue/special needs teacher.
 - which courses you have taken, including grades, as well as the scope of those courses in terms of points/credits/hours or their equivalent.
 - if you have finished a thesis and if you have completed a teaching placement as part of your teacher's education.
 - Note that you are to send *copies* of you documentation with your application. Original documentation is to be sent only if we contact you personally and request it
- Translation of your diploma and academic record /transcript. The documents must be translated into Swedish or English by an authorised translator. No translation is required if the documents are originally issued in English or a Nordic language. Note that both translations and copies of the documents in the original language are to be sent.
- Documentation of your proficiency in the Swedish language - unless your mother tongue is Swedish, Danish, Faroese, Icelandic or Norwegian.
- Bear in mind that if you have changed your name, you must submit official documents where both names appear, for example an extract from the population register from the Swedish Tax Agency, an attested copy of your marriage certificate, or an evaluation (utlåtande) from the Swedish Council for Higher Education (UHR) where both names appear.
- If you have worked as a teacher or preschool teacher in Sweden or abroad you can, already at the time of application, send a work certificate from an education provider, head teacher or preschool head. Work experience can compensate for differences between your foreign education and a Swedish diploma of education for teachers or preschool teachers. You can download the template for the work certificate from www.skolverket.se/foreigndiploma. Contact information to the principal or department head must be up-to-date, as we may need to contact them.
- If you have university studies in addition to your teacher's education, or if you are born **on or before 1 July 1958** and have worked as a teacher in Sweden for **a minimum of four years before 1 July 2015**, and you wish to qualify in more types of school, subjects and school years, you may attach documentation for assessment. Forms are available at www.skolverket.se/komplettera

Kindly check through your application an extra time before submitting it to ensure all information is filled in correctly, and that all necessary documentation has been attached.

Please do not staple your papers together if you send them by post as loose papers will facilitate the processing of your application.

If your education is from the EU, EEA or Switzerland: in processing your application the National Agency for Education will assess whether your professional qualifications should be recognised.
